Seoul Subway Route Finder

From

Myeongdong (Line 4)

To

Hongik Univ. (Line 2, Airport)

Find Route

How to Use

- 1 Select your departure station.
- 2 Select your destination station.
- 3 Click "Find Route".
- 4 Check the recommended route with fewer transfers.

Best for

- ✓ Planning your Seoul travel route
- ✓ Traveling between tourist destinations
- ✓ First-time visitors to the Seoul subway

2

Walking Helper

Walk from your location to Seoul's top destinations

Use GPS to find walking routes to 91 carefully selected destinations (50 tourist attractions + 41 subway stations). Choose a destination, and open the route in Google Maps or Naver Map, or follow it in real time.
